

THE REQUIREMENTS FOR OBTAINING A RENEWAL FOR A CURRENTLY LICENSED OIL SPILL CLEANUP AGENT

- 1. An OSCA license is issued for a term of five years and may not be used after the expiration date unless renewed.**
- 2. OSCAs may be renewed if the material information used in licensing the product initially (i.e., product formulation, appropriate treatment concentrations, heavy metal concentration, etc.), is still accurate and complete. To obtain a renewal;**
 - a. Complete Form #1967 and submit it to the OSPR for review and approval.**
 - b. Complete Form #1960 and submit with the appropriate fee.**

FORM 1967

**OFFICE OF SPILL PREVENTION AND RESPONSE
THE RESOURCES AGENCY
STATE OF CALIFORNIA
P.O. Box 944209, Sacramento California, 94244-2090**

Application for Renewal of a Currently Licensed Oil Spill Clean-up Agent

Date of Request:_____

1. PRODUCT LICENSED NAME:_____

Name of Manufacturer:_____

Address:_____

Vendor in California:_____

Address:_____

Technical Representative:_____

Address:_____

Telephone: Area Code:_____ **Number:**_____

FAX: Area Code:_____ **Number:**_____

2. PRODUCT CHANGES: (Please describe any changes from the information submitted with the original license application).

I, the signatory, do swear, under penalty of perjury, that the information submitted for initial licensing of the product named above is still true and accurate. Based on this information, the Department of Fish and Game will make a determination regarding this renewal application. I understand that the Department of Fish and Game will rely on this information in determining whether the product named above poses any aquatic toxicity or hazard that could damage the resources of California. I understanding that if any information is determined to be inaccurate or incorrect, I could face civil and criminal penalties.
